eRate Bid Announcement

The Phoenix School is accepting bids for a three-year contract for support, maintenance, and software upgrades for a NSA 4600 Dell Sonic Wall.

The bid is for three years of support, maintenance, and software upgrades (for the NSA 4600 Dell Sonic Wall) only.

The winning bid will be decided on price and support offered.

Preference will be given to local Service providers in the order of: Douglas County, Oregon; the Southwest Region of Oregon; and finally providers in the State of Oregon.

- Bidding will be open Friday, February 22, 2019.
- Bids are to be received no later than Friday, March 22, 2019 at 3:00pm.
- The winning bidder will be announced before 5pm on Monday, March 25, 2019. The winning bidder will be notified personally via phone or email. The winning bidder will be posted on this webpage.

Questions can be submitted to the Technology Coordinator at cjbryant@roseburgphoenix.com.

Responses to questions and clarifications will be answered on <http://www.roseburgphoenix.com/technology.html> under Frequently Asked Questions.
